

Art & Jiu Jitsu Building A Community

18 January 2020

About the Event

WPO All In Foundation is a nonprofit organization that leverages recreational therapy to help heal the invisible wounds of trauma. Our Art & Jiu Jitsu event will be a fun, collaborative evening bringing together military, law enforcement, first responders, and supporters alike to create a shared sense of purpose and build the community. The jiu jitsu portion of the event includes an open mat session with a continuous running clock – roll as much or as little as you would like. Commissioned art will be created throughout the event by emerging artists stationed around the mat. All art produced during the event will be displayed at local academies in order to raise awareness for post traumatic stress, anxiety, depression, and suicidal ideology.

Tickets and Reservations via EventBrite:

<https://www.eventbrite.com/e/art-jiu-jitsu-building-a-community-tickets-84221363365?ref=eios>

All proceeds will go to support the WPO All In Foundation and our mission of building a community of inclusivity and familiarity for those healing the invisible wounds of trauma.

Thank you to our event sponsors for their continued Support.
